Finished Submitted Tuesday, 11 October 2016, 9:11 AM	26.17	87.22	Review	Thank you for taking the time to complete the Cisco Global Cybersecurity Scholarship assessment. Your results and those of others will help us in tailoring cybersecurity operations training that best meets your needs. Because of the intense interest in the scholarship program, there are many test takers and results to review and analyze. By the end of October, we will let you know if there is availability in the program based on your results and student demand. Your studies will come in time for the upcoming release of the CCNA Cyber Ops curriculum. For now, pat yourself on the back for your efforts so far to develop your career in a field that will need you urgently in the years to come. Thank you again for your interest and enthusiasm. In the meantime, visit the CCNA Cyber Ops certification page for scholarship information. We also encourage you to join the CCNA Cyber Ops Study Group on the Cisco Learning Network. Here you can communicate and share experiences with other scholarship candidates and get your questions answered by the study group moderators. Kind regards, Learning@Cisco

Your final grade for this quiz is 87.22/100.00.
